# **CITY COUNCIL AGENDA REPORT**

**SUBJECT: CONSIDER COLLABORATING WITH THE CALEXICO UNIFIED SCHOOL DISTRICT (CUSD) TO EXPLORE PLANNING/FUNDING/CONSTRUCTING ADDITIONAL RECREATIONAL FACILITIES FOR THE COMMUNITY**

**AGENDA DATE: September 7, 2010**

**PREPARED BY: Administration (Requested by Mayor Moreno)**

**APPROVED FOR AGENDA BY: Victor Carrillo, City Manager**

**RECOMMENDATION: Provide direction to staff.**

**FISCAL IMPACT:** No additional costs would be incurred by exploring options.

Any recommendations by staff resulting from meeting with CUSD officials would be brought back to the Council for further discussion with all fiscal impacts identified prior to requesting approval.

**BACKGROUND:** In the past, the City and CUSD have collaborated for the planning and construction of various recreational facilities, such as the Calexico High School pool and the De Anza Junior High School gymnasium. A schedule has been created allowing both the school district and the Calexico Recreation Department to use the facilities at different times of the year.

As a result of the April 4, 2010 earthquake, the Calexico High School pool sustained major damage that led to its closure. The pool was the only public swimming pool in the City of Calexico and was used by both the High School and the Community at large.

At the City Council meeting of August 17, 2010, Mayor Moreno requested that this item be agendaized for the September 7, 2010 City Council meeting to allow the Council the opportunity to discuss future possibilities and provide direction to staff.

**DISCUSSION (Current consideration):**

Consider whether Council would like to direct staff to initiate a meeting with the Calexico Unified School District to explore the possibility of pursuing funding opportunities for the construction of additional recreational facilities for the community, with similar joint use agreements as exercised in the past.
